## **PSYCHOTHERAPIST POSITION OPENINGS**

*Perspectives Counseling Centers, Oakland Psychological Clinic, and Heron Ridge Associates* are delighted to announce independent contractor position openings, as we are actively expanding our team of highly skilled Masters and Doctoral level mental health professionals. We have openings in all locations, which include Ann Arbor, Bingham Farms, Bloomfield Hills, Clarkston, Flint, Fraser, Grand Blanc, Lake Orion, Livonia, Milford, Novi, Plymouth, Southfield, Sterling Heights and Troy.

We are seeking:

- Therapists interested in providing a minimum of 20 scheduled visits per week; some evening and/or Saturday appointments expected.
- Therapists who do not have a competing practice within 10 miles of the location where they are applying to work.

Referrals are available directly from our clinic practices. The clinics enjoy solid referral relationships with numerous insurance companies, EAP's, physicians, attorneys, and school personnel. Therapists who generate self-referrals can earn higher reimbursement. Attractive and flexible arrangements are available.

Our clinics offer:

- A pleasant and professional atmosphere with spacious offices, staff lounges and group rooms.
- Participation with a large array of insurance programs.
- A courteous, helpful support staff.
- A highly efficient billing system that allows our industry leading billing department to collect the vast majority of charges.
- Complimentary state approved continuing education credits.
- A collaborative environment with clinical site leaders and regular peer review.

Our organizations have kept pace with the rapidly evolving mental health/substance abuse delivery system while maintaining a reputation for high-quality professional patient care. We are freestanding "clinician-friendly" groups; a place where therapists can concentrate on their practices without having to worry about the day-to-day details of practice management.

We are private, for-profit corporations, accredited by the Joint Commission or CARF and licensed by the State of Michigan to provide substance abuse services.
